

Free Online Ordering System For Restaurants

Feed more of your hungry customers by tonight with our restaurant online ordering system software

►How It Works

GET ACCESS NOW

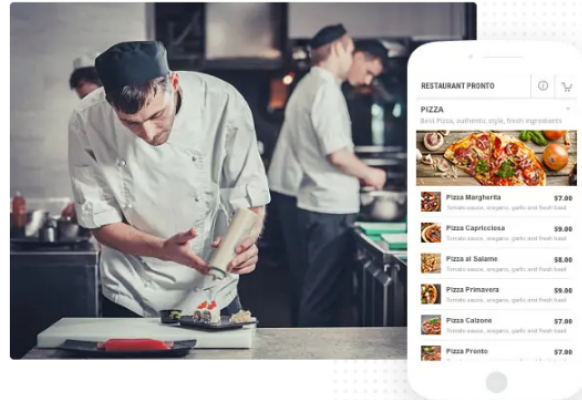

SELL FOOD ONLINE

Turn people visiting your website into regular food clients

Our online ordering system will help you transform your website into a money-making machine.

No matter how much your business grows, you will always be able to take free unlimited orders with **zero costs**.

Power your business with our free restaurant online ordering system & you'll never have to worry about fees or commissions.

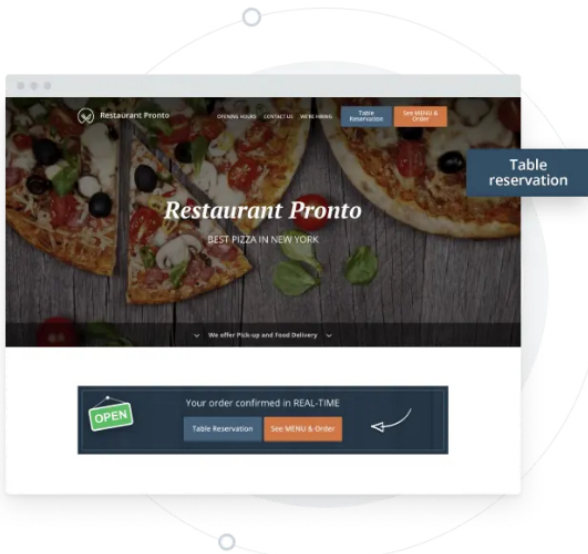

RECEIVE MORE ORDERS

Get more clients to buy from you. Use easy-to-spot restaurant widgets.

The harder it is for your hungry customers to find the ordering buttons on your website, the more customers you will lose.

Increase customer retention, by adding the **"See MENU & Order"** & **"Table reservation"** restaurant widgets to your sales optimized website to make the online ordering process fast & easy.

BUILD A STRONG ONLINE PRESENCE

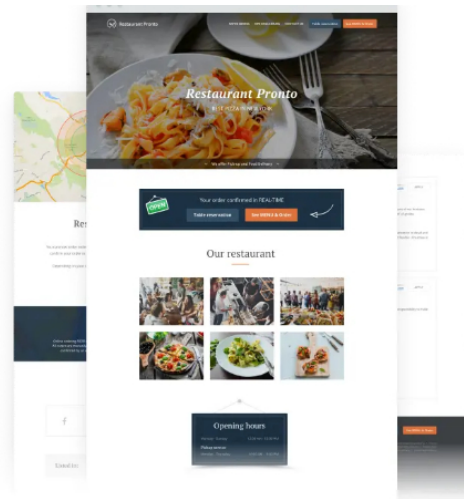

No money-making website? Get a website that sells plus an online ordering system

Your curry is hot, but your business is not?! We'll help generate your own fully functional restaurant website with online ordering, within seconds. No coding skills involved :)

People who use our sales optimized website have increased their online sales by up 162%.*

Try it & see for yourself.

**Statistics drawn from monitoring our clients' performance indicators.*

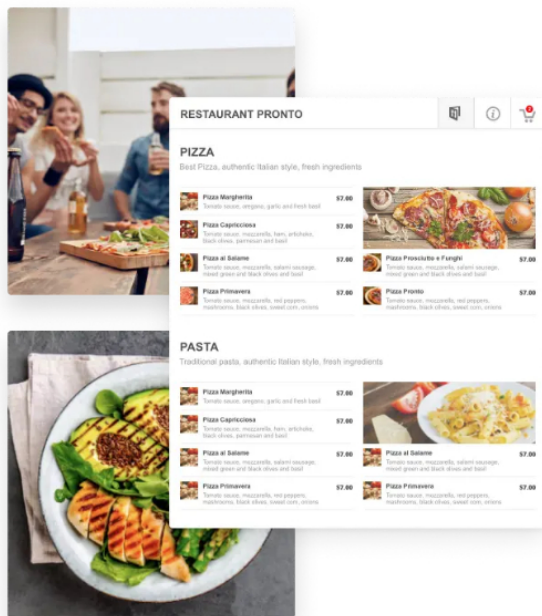

ACCELERATE YOUR SUCCESS

No time to waste: Take your first online order within minutes

How to get started:

1. Simply create an account
2. Add the restaurant widgets to your website
3. Use our restaurant online ordering app to confirm orders placed on your website, Facebook page & restaurant app

It's that simple to have your own online food ordering website by tonight.

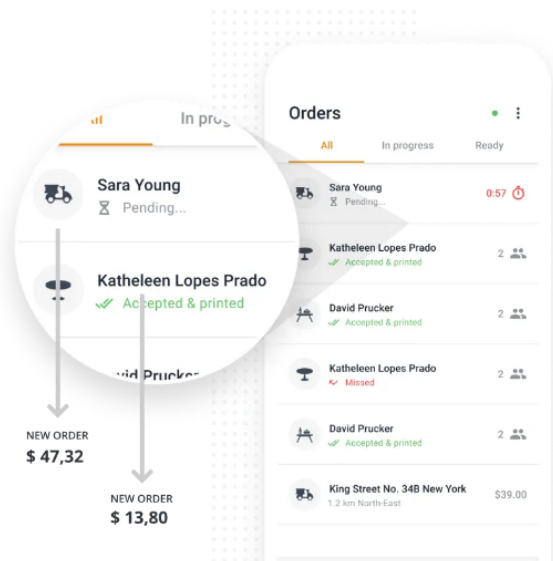

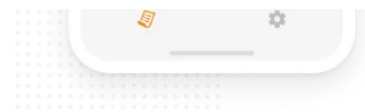

ENJOY ITS SIMPLICITY OF USE

No special device required: accept incoming orders from your smartphone

With the GloriaFood app, you can now accept online food orders from your own device... with just one tap of the screen.

Simply install our free order taking app for Android or iOS, on your own smartphone, tablet or iPad to get started..

What restaurants are saying

123,456 restaurants can't be wrong! See more GloriaFood Reviews

AMANDA S.
Ozona Pizza

"My business has grown significantly with the sales optimized website. My sales have quadrupled since using it. It's the best online food ordering system."

JULIE P.
Sandwich Pizza House

"Your customer service has been stellar via chat/email despite no phone option. I was initially concerned your international location could be an issue but you have delivered excellent, prompt and understandable customer service via chat every time."

NIAZ T.
Katiwok

"Finally a revolutionary and online ordering software for restaurants that we have been dreaming of for so many years for online orders, easy to setup, low cost, fantastic support, thank you GloriaFood!"

PATRICK K.
Azteca Exotic Foods

"We love the online sales results, we see higher sales revenue per order through the website, and the advantage of having all products visible for the client."
